

CUELINES

DECEMBER EDITION

INDIVIDUAL MEMBERSHIP

We're introducing a new individual membership at \$50 to increase accessibility, especially for those who prefer non-digital communication. The updated membership includes:

- A reserved seat at conference (a \$50 value)
- Physical copies of essential OCTA forms and newsletters

This change responds to member requests and ensures everyone can stay connected, no matter their preferred communication style.

FLAT FEES

Moving forward, we're adopting a flat-fee compensation model.

This ensures fair payment across the state while giving participants more freedom over their accommodations and meals. It also simplifies budgeting for reps, helping us better regulate ticket prices. The flat fees will be reviewed annually to ensure they remain fair and competitive.

UPCOMING NEWS & EVENTS

An OCTA Board meeting will be happening December 7. Our meetings are open to the public. If you'd like to attend this meeting, please email your representatives .

WEBSITE CHANGES

Experiencing difficulties reaching our website? We are actively updating board information and forms with our election being over. Please be patient as our website will be reviewing maintenance

We are hard at work developing plans and prices for the next conference! Be on the lookout for further information on OCTA 2025
